Set Two
Batch and Section: 49E

Course Code: ENG-101 **Course Title: English 1**

Instructions: Complete the passage using the correct form of the verbs in brackets. Use only Present Simple, Present Continuous, Past Simple, or Past Continuous. (0.5 × 20 = 10)

Sami regularly (1) _____ (participate) in environmental projects because he (2) _____ (consider) conservation an important responsibility. Earlier this year, his university (3) _____ (organise) a campaign to restore a neglected wetland near the campus. When Sami first (4) _____ (arrive) at the site, several students (5) _____ (remove) plastic waste from the water.

While Sami (6) _____ (inspect) the surrounding area, he (7) _____ (discover) a section of the wetland that was almost completely covered with debris. He immediately (8) _____ (inform) the project coordinator, who (9) _____ (supervise) another group nearby. The coordinator (10) _____ (ask) Sami to organise a small team to clear the area. As the students (11) _____ (work), they (12) _____ (uncover) several species of aquatic plants that had been hidden beneath the rubbish. Sami (13) _____ (photograph) the plants while another student (14) _____ (record) their locations. The group (15) _____ (continue) working until late afternoon, although the weather (16) _____ (become) increasingly humid.

Nowadays, the university (17) _____ (maintain) the restored wetland more carefully, and students regularly (18) _____ (monitor) its condition. Sami (19) _____ (visit) the site whenever he has free time, and he currently (20) _____ (help) organise another conservation project..

Write a paragraph based on ANY ONE of the following topics. Finish within one page. (5 Marks)

1. A time when you learned the importance of punctuality.
