dress, food, language, tradition...

Class Test 1 (Sec-I)

Summer 2026

Course: BNS 101 Bangladesh Studies
Department of Software Engineering
Daffodil International University (DIU)

Time: 60 Minutes (1 Hour) Total Marks: 15 (7.5× 2)

Read the questions carefully. Answer any <u>two</u> questions.

Culture is the 'way of life' of groups of people, and Bangladesh has a rich, diverse culture.

1. **What are the elements of culture, and discuss different types of cultural festivals and celebrations (religious, ethnic, and national) in Bangladesh?**

Society can be defined as a group of people who share a common economic, social, and industrial infrastructure. However, every society has divisions.

2. **What is social stratification, and discuss the social stratification in Bangladesh?**

Bangladesh is surrounded by India on three sides and shares a border with Myanmar.

3. **Conduct a SWOT analysis of Bangladesh's unique geographical location with the integration of economic, cultural, and political perspectives.**

Date: 14.06.2026
