Time: 00:30 Mins **Marks: 15**

Answer ALL Questions

[The figures in the right margin indicate the full marks and corresponding course outcomes. All portions of each question must be answered sequentially.]

1.	*a)*	You have a small consulting business. The CyberStuff company plans to buy software to run a new collaborative content-sharing Web site. CyberStuff wants to hire you to evaluate bids from vendors. Your spouse works for NetWorkx and did most of the work in writing the bid that NetWorkx plans to submit. You read the bid while your spouse was working on it and you think it is excellent. Do you tell CyberStuff about your spouse's connection with NetWorkx? Give proper justification.	5	CO3
2.	*a)*	Write the types of the fair dealing factors/principles with proper explanation of them.	5	CO4
2.	*b)*	Suppose there is an Online Service for checking essays for plagiarism – uploaded essays are stored in database and used for future checking. Some students sue the company for copyright infringement on their essay. State who should win?	5
