Use only Present Simple, Present Continuous, Past Simple, or Past Continuous. (0.5 × 20 = 10)

Arman usually (1) _____ (prefer) exploring unfamiliar places on foot because he (2) _____ (believe) that walking allows him to notice details that tourists often overlook. During a recent visit to an ancient town, he (3) _____ (wander) through a narrow street when he (4) _____ (hear) the sound of traditional music coming from a nearby courtyard. As he (5) _____ (approach) the entrance, several musicians (6) _____ (perform) an unfamiliar melody. An elderly man (7) _____ (invite) Arman inside and (8) _____ (explain) that the musicians were rehearsing for a local cultural festival. While Arman (9) _____ (observe) the performance, he (10) _____ (notice) several unusual instruments that he had never seen before.

The musicians (11) _____ (continue) their rehearsal while the elderly man (12) _____ (describe) the history of the instruments. Arman (13) _____ (ask) several questions because he (14) _____ (find) the tradition particularly fascinating. Although he normally (15) _____ (avoid) taking photographs during private events, he (16) _____ (request) permission to photograph the instruments. The following day, Arman (17) _____ (return) to the courtyard, but the musicians (18) _____ (prepare) to leave. The elderly man (19) _____ (recognise) him immediately and (20) _____ (present) him with a small booklet about the town's musical heritage.

Write a paragraph based on ANY ONE of the following topics. Finish within one page. (5 Marks)

1. A time when you helped someone in an unexpected situation.
2. A time when you learned something the hard way.
3. A frightening/horror experience that happened with you/someone you know.
