Mid Semester Examination, Spring-2026
Course Code: BNS101 Course Title: Bangladesh Studies
Level: 2 Term: 1 Batch: 68

Exam Duration: 1.5 Hours **Marks: 25**

Answer ALL Questions

[The figures in the right margin indicate the full marks and corresponding course outcomes. All portions of each question must be answered sequentially.]

1.	Bangladesh is a developing country with limited natural resources such as fertile land, rivers, forests, fisheries, and natural gas. The effective and planned use of these resources plays a crucial role in achieving sustainable economic development. By ensuring proper utilization of natural resources, Bangladesh can increase agricultural productivity, support industrial growth, create employment, and protect the environment. **Illustrate** the significance of rivers to promote the sustainable economic development of a country like Bangladesh and show how the natural resources can contribute to the economic growth of Bangladesh.	10	CO1
2.	Bangladesh foreign policy is guided by the principles of peaceful coexistence, mutual respect, and regional cooperation. As a state, Bangladesh places strong emphasis on maintaining friendly relations with its neighboring states to ensure peace and stability. **Utilize** the foreign policy strategies of Bangladesh to assess its efforts in ensuring regional peace and stability among neighboring states.	5	CO1
3.	The identity of the people of Bangladesh has been shaped by historical invasions and population intermixing. The waves of migration and foreign influences brought new cultural, linguistic, and social elements, blending with local traditions to form the unique Bengali identity. **Summarize** a graphical presentation of how the historical invasions and population intermixing shaped the identity of the people of Bangladesh.	5	CO2
4.	Bangladesh constitution ensures accountability and transparency through the key features like the separation of powers and rule of law. These mechanisms help to prevent the misuse of power and promote trust and integrity in governance. **Assume** your idea on the constitution of Bangladesh to ensure the protection of fundamental rights, and examine its present role in strengthening constitutional effectiveness and good governance.	5	CO2
