# Daffodil International University

**Faculty of Science & Information Technology**
**Department of Computer Science and Engineering**
**Class Test 3, Summer-2026**

**Course Code: ENG101** **Course Title: Basic Functional English & English Spoken**

**Batch: 7_P**

**Exam Duration: 35 Minutes** **Marks: 15**

## Answer ALL Questions

***[The figures in the right margin indicate the full marks and corresponding course outcomes. All portions of each question must be answered sequentially.]***

**1.** ***Identify*** *the misspelled words and Subject-Verb Agreement errors in the passage below and record only the correct versions on your answer sheet.* ***10x0.5= 05***

Reliability in circuit design remain essential for ensuring consistent performance in modern electronic devices. Most of the components inside the circuit board was damaged due to a sudden voltage surge during testing. Does the technicians usually calibrate the equipment before every major experiment? Either the capacitor or the resistors is causing the circuit to malfunction under high load. The voltage regulator and its backup circuit was tested twice before installation to confirm stable performance. A team of electrical engineers at a research laboratory recently began testing a new power distribution system for industrial use. During the experiment, they noticed unusual fluctuations in impedence across several circuit paths. The engineers used an oscilliscope to closely monitor voltage changes over time. They also found that the rectifyer installed in the main unit was generating excessive heat during operation. To identify the source of the problem, the team carefully measured the capasitance of each component in the circuit. Further analysis showed signs of hysterisis in the magnetic core, which affected the overall efficiency of the system.

**2.** ***Generate English translations of the following sentences.*** ***05x01=05***

*a)* গতকাল আমরা একটি শিক্ষামূলক সেমিনারে অংশ নিয়েছিলাম।

*b)* যদিও সে অসুস্থ ছিল, তবুও সে গুরুত্বপূর্ণ সভায় উপস্থিত হয়েছিল।

*c)* সামাজিক যোগাযোগমাধ্যম মানুষের পারস্পরিক সম্পর্ককে যেমন শক্তিশালী করেছে; তেমনি কিছু ক্ষেত্রে দূরত্বও সৃষ্টি করেছে।

*d)* বিশ্বায়নের প্রভাবে স্থানীয় সংস্কৃতিগুলো যেমন নতুন সম্ভাবনার মুখোমুখি হয়েছে, তেমনি তাদের স্বকীয়তা হারানোর আশঙ্কাও বেড়েছে।

*e)* শিক্ষার প্রকৃত উদ্দেশ্য শুধু ভালো চাকরি পাওয়া নয়, বরং নৈতিক মূল্যবোধ গড়ে তোলা।

3. ***Apply the right forms of verbs.*** ***10x0.5=05***

The national team has trained harder than ever since their coach a) _____ (**join**) the club two seasons ago, transforming the squad's discipline and tactical awareness. Fans are confident that the team b) _____ (**win**) the championship next season, especially after such a promising run in the qualifiers. At the final match last year, no sooner had the referee c) _____ (**blow**) the final whistle than supporters flooded onto the pitch, celebrating a hard-carned victory. While the players d) _____ (**warm up**) before kickoff, thousands of fans were still arriving at the stadium, creating an electric atmosphere long before the game began. Determined to compete at the highest level, the club got the entire stadium e) _____ (**renovate**) to meet international standards ahead of the tournament. Despite the recent success, critics argue that it is high time the federation f) _____ (**invest**) more in youth academies to secure the team's future. The captain lifted the trophy after his team g) _____ (**overcome**) a difficult start to the season, proving that persistence pays off. Interestingly, many players would rather h) _____ (**train**) abroad than stay in the domestic league, hoping to gain international experience. Some fans wish the club i) _____ (**have**) a bigger stadium to accommodate more supporters, since matches now sell out almost instantly. In fact, tickets for the final j) _____ (**sell**) out within minutes of going on sale, leaving thousands of loyal fans disappointed.
