Answer all the questions sequentially

PART-A **(4+3+3=10)**

1. "All agreements are not contracts but all contracts are agreements"-**Analyze** the statement with examples. (CLO4, Level IV) 4

2. "No consideration, No contract"- **Explain** the exceptions of this rule with examples. (CLO 2, Level II) 3

3. **Recall** the following terms and give two examples of each of the following:
a) Illegal Agreements (b) Idiocy (c) Void Agreements. (CLO 1, Level I) 3

PART-B **(5x3=15)**

Answer all the questions.

i. Anu (who is 20 years old) makes a contract with Pritom (who is 16 years old) to sell a car. Is this a valid contract? Defend your answer with appropriate logic. (CLO 3, Level III)

ii. Sifat offered to sell his land to Aman at Tk. 20,00,000. Aman replied accepting the offer at Tk. 15,00,000. Is this an acceptance? Defend your answer with appropriate logic. (CLO 3, Level III)

iii. Hanif made a contract when he was drunk. After making the contract his relatives proved to the court that he was drunk when he made the contract. What will be the decision of the court? Apply your logic. (CLO 3, Level III)

iv. Binti has given an offer for the students of DIU. But one of the faculty members wants to accept the offer. Can he accepts the offer? Defend your answer by mentioning the related law. (CLO 3, Level III)

v. The collector of a district asked 'A' to spend some money on the improvement of a market and he did so. Now A is demanding payment from the shopkeeper. Can 'A' demand this payment for his donation? Justify your answer. (CLO 3, Level III)
