Course Title: Bangladesh Studies
Quiz: 01 Batch: 70_I
Time: 45 minutes Marks: 2*7.5=**15**

Question 1:

Bangladesh is facing multiple foreign policy challenges, including the Rohingya refugee crisis, climate change, and strained relations with neighboring countries. At the same time, the country seeks to maintain economic growth and strengthen its international standing.

Based on the above scenario, answer the following:

a. Examine how these challenges may affect Bangladesh's ability to achieve its foreign policy objectives. **(7.5 marks)** **(CO1)**
b. Drawing upon the achievements of different governments since independence, propose and justify policy measures that could help Bangladesh overcome these challenges in the future. **(7.5 marks)** **(CO1)**
