On Monday 2 november 2024, the students of the 66th batch of the computer science and engineering department will go to the Eiffel Tower. This visit is a part of their educational technology 204 course. Ms. Linda Annex who is their course teacher will go with them. One of the students was late to catch the bus, and the teacher called him. She said, Why are you late? Always try to follow the schedule. The teacher was carrying the famous book named "the making of the eiffel tower." She shared, "This tower is a wrought-iron lattice tower on the champ de mars in paris, france. It is named after the engineer gustave eiffel, whose company designed and built the tower from 1887 to 1889." The students will be prewriting, outlining, editing and revising during this visit. By the way, Do you know that chanel and dior are french brands?"
